

Press Release GAVIA / Hafmynd

20.11.2009

New headquarters

On December 1st, Hafmynd will be relocating its HQ to a new 1000 sqm facilities at Vesturvör 29 in the Reykjavik suburb of Kópavogur. The new building allows Hafmynd to further expand and develop its product development and assembly line, and as it is located in the Kópavogur harbor area allows for easy access to the ocean for ongoing product testing and operations

We apologize in advance for any inconvenience this might have on our daily operations in the last week of November and first week of December, but expect to be up and running stronger than ever in the second week of December. Please note our new address as of 01 December 2009:
